Technical Skill Set

Technologies	Frameworks/Libraries	Version Control	Databases
<ul style="list-style-type: none">• Vanilla JavaScript• HTML 5• CSS 3	<ul style="list-style-type: none">• Bootstrap• JQuery• React	<ul style="list-style-type: none">• Git• Github	<ul style="list-style-type: none">• MongoDB

Professional Experience

FrieslandCampina WAMCO Nigeria Plc
(August, 2019 - February, 2020)

IT Trainee

It was my responsibility to develop and keep records of production activities and employee management using the tools and online systems within FrieslandCampina WAMCO Nigeria Plc. This included management of the Can Factory's cloud solution and involvement in the entire development lifecycle of their product.
